Staff Members Present: Chris Minger, Managing Director  
John Lindsey, Director of Fleets & Facilities

1. Discussions on the time frame for hiring a new manager took place.
2. Chris has the RFP for Constantine Road prepared awaiting a response from the county on how to proceed.
3. Commissioners agreed that all future correspondence (email, phone calls, fax, etc.) should be forwarded to the Manager and he will respond and copy the commissioners. This will allow the same response to be given to everyone and chances of communications being clearer are greater. If this becomes too cumbersome then FOIA requests will be requested.
4. Discussions on the bridge fund and the future of it going forward.
5. Chris Minger's evaluation was discussed.
